III. ALL OTHER EDITIONS OF THE SOFTWARE

The use of all other editions of the Software will be governed by the terms set forth in this Article III, in addition to the General Terms set forth in Article IV.

1. License.

- a. Grant of License. Subject to all of the terms and conditions of this Agreement and upon Licensee's payment of the fees shown on the invoice and acceptance of this Agreement, Flexera Software grants Licensee a non-transferable, non-sublicensable, non-exclusive license to use Software for internal purposes at Licensee's site(s) only, but only in accordance with (a) the Documentation, (b) this Agreement and (c) the License Level. For the purposes of this Section, Software shall also include any Documentation and any Upgrades provided to Licensee under this Agreement. For Software that will be used in a service provider role, the terms of Addendum 1 shall apply; licenses not identified as service provider licenses on an invoice may not be used in a service provider capacity.
 - i. If Licensee has a license to the InstallAnywhere Collaboration or InstallAnywhere Enterprise, it may use the Software for the purposes of creating unit test installations for its own exclusive use. Licensee may use the Software as a plug-in to the Eclipse Open Source IDE. Flexera Software is not licensing to Licensee any right, title, and interest with respect to the Eclipse Open Source IDE; Licensee's use of the Eclipse Open Source IDE is subject to Licensee's acceptance of the terms and conditions of the end-user license agreement from Eclipse Foundation for that product.
 - ii. If Licensee has licensed the InstallAnywhere Standalone Build Node-Lock Software, Licensee may install and use one copy of the Software on a single computer residing on Licensee's premises only for Licensee's internal business purposes.
- b. License Models. Licensee may purchase either a node-locked or concurrent license, which will be identified on the applicable order confirmation.
 - i. Node-Locked Licenses. If Licensee has licensed Software on a node-locked basis, Licensee may install and use one instance of the Software on a single computer either physically installed or on a virtual image on that computer only at Licensee's site(s) for Licensee's internal business purposes only in accordance with the License Level. A node-locked license is limited to use by a single User on a single computer or virtual image; Licensee may not install the Software on a shared computer. Copying a virtual image for the purposes of using the image either simultaneously or as a replacement on another machine is strictly prohibited.

- ii. Concurrent Licenses. If Licensee has licensed on a concurrent basis, Licensee may install the Software on any machine at Licensee's site(s) for Licensee's internal business purposes only in accordance with the License Level. All machines using the Software must have the ability to communicate with a license server to be authorized to use the Software.
 - c. Standalone Build Licenses: In addition to the use rights for the Software, Standalone Build Licenses may also be run on a separate Build System but only if run by automated processes or by a User.
 - d. Installation and Copies. Licensee may install on Licensee's computers for use only by Licensee's employees and Contractors as many instances of the Software as is designated in the applicable invoice. Licensee may not make copies of the Software unless otherwise set forth in an applicable invoice. Notwithstanding the foregoing, Licensee may make a copy of the Software for back-up purposes.
 - e. Use by Contractors. Subject to the terms and conditions of this Agreement, Licensee's Contractors may use the licenses at a Licensee site only, provided that (a) such use is only for Licensee's benefit, (b) Licensee agrees to remain responsible for each such Contractor's compliance with the terms and conditions of this Agreement and (c) upon request Licensee will identify each such Contractor to Flexera Software. Use of the Software by the Contractors and Licensee in the aggregate must be within the License Level set forth in the applicable invoice.
 - f. License Restrictions. Licensee shall not (and shall not allow any third party to):
 - i. use or apply the Try and Die or Try and Buy functionality for the benefit of any software products that are not owned by Licensee;
 - ii. decompile, disassemble, or otherwise reverse engineer the Software or attempt to reconstruct or discover any source code, underlying ideas, algorithms, file formats or programming interfaces of the Software by any means whatsoever (except and only to the extent that applicable law prohibits or restricts reverse engineering restrictions, and then only with prior written notice to Flexera Software);
 - iii. except as expressly permitted in this Agreement, distribute, sell, sublicense, rent, lease or use the Software (or any portion thereof) for time sharing, service bureau, hosting, service provider or like purposes;
 - iv. remove any product identification, proprietary, copyright or other notices contained in the Software, including but not limited to any such notices contained in the physical and/or electronic media or Documentation, in the Setup Wizard dialog or "about" boxes, in any of the runtime resources and/or in any web-presence or web-enabled notices, code or other embodiments originally contained in or otherwise created by the Software, or in any archival or back-up copies, if applicable;
 - v. modify any part of the Software, create a derivative work of any part of the Software, or incorporate the Software into or with other software, except to the extent outlined in the Documentation or expressly authorized in writing by Flexera Software; or
 - vi. publicly disseminate performance information or analysis (including, without limitation, benchmarks) from any source relating to the Software.
2. Upgrades. Upgrades, if provided to Licensee, may be licensed to Licensee by Flexera Software with additional or different terms and conditions. Upgrades may be used only by the User of the original version of the Software that is being upgraded. After installation of an Upgrade, such User may continue to use the prior

version(s) of the Software in accordance with the terms and conditions applicable to such version, provided that (i) the prior version(s) may only be used by the same User of the Upgrade; (ii) Licensee acknowledges that any obligation Flexera Software may have to support the prior version(s) may be ended upon the availability of the Upgrade.

3. Ownership. Notwithstanding anything to the contrary contained herein, except for the limited license rights expressly provided herein, Flexera Software and its suppliers have and will retain all rights, title and interest (including, without limitation, all patent, copyright, trademark, trade secret and other intellectual property rights) in and to the Software (including the Documentation) and all copies, modifications to, and derivative works based upon, the Software. Licensee acknowledges that it is obtaining only a limited license right to the Software and that irrespective of any use of the words “purchase”, “sale” or like terms hereunder no ownership rights are being conveyed to Licensee under this Agreement or otherwise.
4. Payment Terms/Shipments. *For Licensees in Japan*, all fees are in non-refundable Japanese Yen. *For Licensees in Europe, Middle East, Africa, or India*, all fees are in the currency outlined in the quote/invoice and are non-refundable. *For Licensees in New Zealand or Australia*, all fees are in non-refundable Australian Dollars. *For Licensees in any region not outlined*, all fees are in non-refundable US Dollars. Fees are due within thirty (30) days of the date of the invoice. Licensee shall be responsible for all taxes, withholdings, duties and levies arising from the order (excluding taxes based on the net income of Flexera Software). Any late payments shall be subject to a service charge equal to 1.5% per month of the amount due or the maximum amount allowed by law, whichever is less. All Software and Documentation shall be delivered by electronic means unless otherwise specified on the applicable invoice. All shipments of any media will be FOB Origin.
5. Taxes. Fees do not include taxes. If Flexera Software is required to pay any sales, use, GST, VAT, or other taxes in connection with Licensee’s order, other than taxes based on Flexera Software’s income, such taxes will be billed to and paid by Licensee. Licensee will make all payments of fees to Flexera Software free and clear of, and without reduction for, any withholding taxes; any such taxes imposed on payments of fees to Flexera Software will be Licensee’s sole responsibility and consequently the amount of such fees will be increased such that the net fee received by Flexera Software will be the same as if such withholding taxes were not imposed, and Licensee will provide Flexera Software with official receipts issued by the appropriate taxing authority, or such other evidence as the Flexera Software may reasonably request, to establish that such taxes have been paid.
6. Support and Maintenance.
 - a. Support and Maintenance. Flexera Software shall provide the level of support and maintenance services (“**Support and Maintenance**”) set forth on the applicable invoice, if any, during such period as Licensee has paid the applicable fee. Support and Maintenance will be provided in accordance with Flexera Software’s then-current Support and Maintenance terms.
 - b. Supported Versions. Support and Maintenance is available in accordance with Flexera Software’s Life Cycle and End of Life Policy, which may be found at <http://www.flexerasoftware.com/support/eol/end-of-life-policy.htm>.
 - c. Exclusions. Flexera Software will have no Support and Maintenance obligation to Licensee: (a) at the end of any annual Support and Maintenance period unless Licensee elects to obtain additional Support and Maintenance by paying an annual Support and Maintenance renewal fee; (b) where Licensee is using a version of the Software that is not the then-current or previous major release or an otherwise unsupported version in accordance with Flexera Software’s End of Life policy; (c) where the Software has been modified by Licensee or any third party or by Flexera Software at Licensee’s request; or (d) for any evaluation, beta or other Software provided at no charge.
 - d. Renewals. In the event Licensee elects not to obtain or renew Support and Maintenance, Licensee may retain the Software and Documentation but will have no further right to Support and Maintenance for the

Software. If Licensee wishes to reinstate lapsed Support and Maintenance, Licensee may do so only within ninety (90) days from expiration of the Support and Maintenance term and by paying Flexera Software an amount equal to the then-applicable annual fee plus one-hundred fifty percent (150%) of the fees that would have been due had Licensee remained enrolled during the lapse period. Support and Maintenance may be renewed for the first renewal period (the duration of which may be no shorter than one year, and no longer than the length of the initial maintenance period) for the same annual rate paid during the first Support and Maintenance Period.

7. Warranty.

- a. Limited Software Performance Warranty. Flexera Software warrants to Licensee that for a period of ninety (90) days from initial delivery of the Software to Licensee (the “**Warranty Period**”) the Software shall operate in substantial conformity with the Documentation. Flexera Software does not warrant that Licensee’s use of the Software will be uninterrupted or error-free or that any security mechanisms implemented by the Software will not have inherent limitations. Flexera Software’s sole liability (and Licensee’s exclusive remedy) for any breach of this warranty shall be, in Flexera Software’s sole discretion, to use commercially reasonable efforts to provide Licensee with an error-correction or work-around which corrects the reported non-conformity, to replace the non-conforming Software with conforming Software, or if Flexera Software determines such remedies to be impracticable within a reasonable period of time, to terminate the Agreement and refund the license fee paid for the Software. Flexera Software shall have no obligation with respect to a warranty claim unless notified of such claim within the Warranty Period.
- b. Exclusions. The limited warranties set forth in this Section 7 shall not apply: (a) if the Software is used with hardware or software not specified in the Documentation; (b) if any modifications are made to the Software by Licensee or any third party or by Flexera Software at Licensee’s request; (c) to defects in the Software due to accident, abuse or improper use by Licensee; or (d) to items provided on a no charge or evaluation basis.
- c. Disclaimer. **THE WARRANTIES IN THIS SECTION 7 ARE LIMITED WARRANTIES AND EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 7, THE SOFTWARE IS PROVIDED “AS IS”. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 7, NEITHER FLEXERA SOFTWARE NOR ITS SUPPLIERS MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. LICENSEE MAY HAVE OTHER STATUTORY RIGHTS. HOWEVER, TO THE FULL EXTENT PERMITTED BY LAW, THE DURATION OF STATUTORILY REQUIRED WARRANTIES, IF ANY, SHALL BE LIMITED TO THE LIMITED WARRANTY PERIOD.**

8. Limitation of Liability.

- a. **NEITHER FLEXERA SOFTWARE NOR ITS SUPPLIERS, IF ANY, SHALL BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, OR FOR DAMAGE TO SYSTEMS OR DATA, EVEN IF FLEXERA SOFTWARE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FLEXERA SOFTWARE'S LIABILITY FOR ANY DAMAGES HEREUNDER SHALL IN NO EVENT EXCEED THE AMOUNT OF LICENSE FEES THAT LICENSEE HAS PAID TO FLEXERA SOFTWARE.**
- b. **FOR USERS WITHIN EUROPE, THE MIDDLE EAST, AFRICA, OR INDIA, NO PERSON WHO IS NOT A PARTY TO THIS AGREEMENT SHALL BE ENTITLED TO ENFORCE ANY TERMS OF THE SAME UNDER THE CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999.**

c. FLEXERA SOFTWARE DOES NOT LIMIT OR EXCLUDE ITS LIABILITY FOR DEATH OR PERSONAL INJURY CAUSED BY ITS NEGLIGENCE.

9. **Termination.** Licensee's license may be terminated by Flexera Software if (a) Licensee fails to make payment and/or (b) Licensee fails to comply with the terms of this Agreement within ten (10) days after receipt of written notice of such failure. In the event of termination, Licensee must cease using the Software, destroy all copies of the Software (including copies in storage media), if applicable, and certify such destruction to Flexera Software. This requirement applies to all copies in any form, partial or complete. Upon the effective date of any termination, Licensee relinquishes all rights granted under this Agreement. If Licensee continues to use the Software after any termination of the applicable license under this Agreement, Flexera Software reserves the right to all remedies at law, including, but not limited to, reporting of such prohibited use to applicable law enforcement agencies and report of such prohibited use to anti-piracy agencies.
10. **Verification/Audits.** On Flexera Software's reasonable request, Licensee will furnish Flexera Software with a signed statement confirming whether the Software is being used by Licensee in accordance with this Agreement. Further, during the term of this Agreement and for a period of one (1) year thereafter, with prior reasonable notice of at least five (5) days, Flexera Software may audit Licensee for the purpose of verifying the information provided by Licensee under this Agreement, and for the purpose of verifying that Licensee is conforming to the terms of this Agreement. Any such audit shall be conducted during regular business hours at Licensee's facilities and shall not unreasonably interfere with Licensee's business activities. If an audit reveals an underpayment or that the Licensee's usage is greater than the License Level, then the Licensee shall immediately pay the difference in License fees and, if applicable, Support and Maintenance fees to bring the License Level into compliance. If an audit reveals that (i) Licensee has intentionally misrepresented its usage of the Software, (ii) Licensee materially breached this Agreement, or (iii) the Usage Level is more than 5% over the License Level, then Licensee shall pay Flexera Software's reasonable costs of conducting the audit in addition to any fees due to Licensee's misrepresentation or material breach. Audits shall be conducted no more than once annually.
11. **Use of Try and Die Functionality.** If Licensee has licensed the Premier edition of the Software, Licensee may internally access and use the functionality labeled "Try and Die" solely for the purposes of applying the Try and Die functionality processes and/or restrictions to Licensee's products and distributing such products to Licensee's end users for their trial purposes for a pre-determined period of time. Notwithstanding the foregoing, Licensee agrees that the total revenue from Licensee's products utilizing the Try and Die functionality will not exceed US\$10,000,000. Each product that is managed by a unique product version key/package license is considered to be a separate product hereunder. A product version key/package license identifies a protected trial product and allows the Licensee to unprotect, unpack and use a protected product.
12. **Activation Capabilities.** For existing users of the InstallShield Activation Service, should Licensee elect to access and use the InstallShield Activation Service (which can only be used in conjunction with the Try and Buy functionality of the product), the terms and conditions at <http://www.installshield.com/products/installshield/activationservice/info/agreement.asp> will apply to Licensee's use of the service and will supplement Licensee's use of the Software hereunder.
13. **Dual-Media Software.** Licensee may receive the Software in more than one medium (electronic and on a DVD, for example). Receipt of the Software in more than a single manner (electronic or on a DVD, for example) does not expand the license rights granted to Licensee hereunder. Licensee's use of the Software is limited to the number of licenses (instances) that Licensee has acquired overall, regardless of number or type of media on which it has been provided.

IV. GENERAL TERMS

The terms set forth in this Article IV shall apply to all Software licensed under this Agreement.

1. Assignment/Transfer of Software. Licensee may not, by operation of law or otherwise, transfer any license rights or other interests in Evaluation Software, Limited Edition Software, or Software labeled “Not for Resale” or “NFR.” Licensee may transfer a license granted hereunder, on a permanent basis, provided (i) that such transfer is the result of a merger, acquisition or other corporate action (such as a divestiture), (ii) Licensee permanently and wholly transfers all Licensee’s rights and obligations under this Agreement; (iii) Licensee retains no instances or copies (whole or partial); (iv) Licensee permanently and wholly transfers all of the Software (including component parts, media, printed materials, upgrades, prior versions, and authenticity certificates); and (v) the transferee agrees to abide by all the terms of this Agreement. Licensee may not transfer this license or the Software directly or indirectly for any other reason without Flexera Software’s prior written consent, which may be withheld for any reason. Transfers that are the result of employee turnover or reassignment are allowed, provided that such transfers do not occur more frequently than annually.
2. Usage Data. Licensee understand that Flexera Software may utilize technology that gathers information about Licensee’s computer system, however, such data is used solely for the purpose of understanding machine types and other system-oriented information and does not contain any personally identifiable information of Licensee.
3. Unauthorized Use and Validation of Use. IN ORDER TO PROTECT THE SOFTWARE FROM UNAUTHORIZED USE AND IN ORDER TO CONFIRM LICENSEE’S COMPLIANCE WITH THE LICENSE GRANTS AND RESTRICTIONS SET FORTH IN THIS AGREEMENT, THE SOFTWARE CONTAINS A VALIDATION PROCEDURE THAT MAY TRANSMIT LICENSEE’S IP ADDRESS AND/OR APPLICABLE LICENSE KEY RELATING TO THE SOFTWARE TO FLEXERA SOFTWARE. IF THE SOFTWARE DETECTS ANY VIOLATION OF THE TERMS OF THIS AGREEMENT, LICENSEE MAY BE CONTACTED BY FLEXERA SOFTWARE REGARDING LICENSEE’S USE OF THE SOFTWARE AND/OR LICENSEE MAY BE UNABLE TO USE THE SOFTWARE AND/OR CREATE UNRESTRICTED INSTALLER PRODUCTS UNTIL THE PROBLEM IS CORRECTED. IF LICENSEE IS UNABLE TO USE THE SOFTWARE AND/OR CREATE UNRESTRICTED INSTALLER PRODUCTS, LICENSEE SHOULD IMMEDIATELY CONTACT FLEXERA SOFTWARE.
4. Redistributable Files. The Software component parts may not be separated for use on more than one computer, except as set forth in this Agreement. Licensee may copy the files specifically identified in the documentation as “redistributables” and redistribute such files to Licensee’s end users of Licensee’s products, provided that: (a) such products add primary and substantial functionality to the redistributables, (b) all copies of the redistributables must be exact and unmodified; and (c) Licensee grants Licensee’s end users a limited, personal, non-exclusive and non-transferable license to use the redistributables only to the extent required for the permitted operation of Licensee’s products and not to distribute them further. Licensee will reproduce with the redistributables all applicable trademarks and copyright notices that accompany the Software, but Licensee may not use Flexera Software’s name, logos or trademarks to market Licensee’s products.
5. Third-Party Code. The Software may contain or be provided with components subject to the terms and conditions of third party software licenses (“**Third Party Software**”). Third Party Software may be identified in the Documentation, or Flexera Software may provide a list of the Third Party Software for a particular version of the Software to Licensee upon Licensee’s written request. To the extent required by the license that accompanies the Third Party Software, the terms of such license will apply in lieu of the terms of this Agreement with respect to such Third Party Software, including, without limitation, any provisions governing access to source code, modification or reverse engineering. Licensee is solely responsible for complying with the terms and conditions of such Third Party Software.

6. Controlling Law. For Licensees in Japan, this Agreement will be governed by the laws of Japan; for Licensees in Europe, Middle East, Africa, or India, this Agreement will be governed by the laws of England and Wales and Licensee submit to the jurisdiction of the courts of England and Wales; for Licensees in New Zealand or Australia this Agreement will be governed by the laws of the State of Victoria, Australia; for Licensees outside the countries listed above, this Agreement will be governed by the laws of California, USA, excluding conflicts of law. This Agreement is not subject to the United Nations Convention on Contracts for the Sale of Goods.
7. Survival. Sections I.4 (Disclaimer), I.5 (Limitation of Liability), II.2 (Disclaimer), II.3 (Limitation of Liability), III.1.e (License Restrictions), III.3 (Ownership), III.4 (Payment and Delivery), III.7.c (Disclaimer), III.8 (Limitation Liability), III.9 (Termination), and all of this Article IV (General Terms), as well as any provision that by the very nature of which should survive shall survive any termination or expiration of this Agreement.
8. Confidential Information. Each party agrees that all business and/or technical information that is received by a party (“**Receiving Party**”) from the disclosing party (“**Disclosing Party**”) that a) is in written, recorded, graphical or other tangible form and is marked "Confidential" or “Trade Secret” or similar designation; b) is in oral form and identified by the Discloser as "Confidential" or “Trade Secret” or similar designation at the time of disclosure, with subsequent confirmation in writing within thirty (30) days of such disclosure; or c) the nature of which could reasonably be construed to be confidential shall be considered the confidential property of the Disclosing Party (“**Confidential Information**”). Any software, documentation or technical information provided by Flexera Software (or its agents), performance information relating to the Software, and the terms of this Agreement shall be deemed Confidential Information of Flexera Software without any marking or further designation. Except as expressly authorized herein, the Receiving Party will hold in confidence and not use or disclose any Confidential Information. The Receiving Party’s nondisclosure obligation shall not apply to information that: (a) was rightfully in its possession or known to it prior to receipt of the Confidential Information; (b) is or has become public knowledge through no fault of the Receiving Party; (c) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; (d) is independently developed by employees of the Receiving Party who had no access to such information; or (e) is required to be disclosed pursuant to a regulation, law or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party the Disclosing Party shall be entitled to appropriate equitable relief in addition to whatever other remedies it might have at law.
9. Company Name and Logo. Flexera Software may include Licensee’s company name and logo in a list of Flexera Software customers and/or partners.
10. Severability. If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited to the minimum extent necessary so that this Agreement shall otherwise remain in effect.
11. Amendments; Waivers. No supplement, modification, or amendment of this Agreement shall be binding, unless executed in writing by a duly authorized representative of each party to this Agreement. No waiver will be implied from conduct or failure to enforce or exercise rights under this Agreement, nor will any waiver be effective unless in a writing signed by a duly authorized representative on behalf of the party claimed to have waived. No provision of any purchase order or other business form employed by Licensee will supersede the terms and conditions of this Agreement, and any such document relating to this Agreement shall be for administrative purposes only and shall have no legal effect.
12. Choice of Language. The original of this Agreement has been written in English. Licensee waives any rights it may have under the law of its country to have this Agreement written in the language of that country.

13. Independent Contractors. The parties to this Agreement are independent contractors. There is no relationship of partnership, joint venture, employment, franchise or agency created hereby between the parties. Neither party will have the power to bind the other or incur obligations on the other party's behalf without the other party's prior written consent.
14. U.S. Government End-Users. The Software is commercial computer software. If the User or Licensee of the Software is an agency, department, or other entity of the United States Government, the use, duplication, reproduction, release, modification, disclosure, or transfer of the Software, or any related documentation of any kind, including technical data and manuals, is restricted by a license agreement or by the terms of this Agreement in accordance with Federal Acquisition Regulation 12.212 for civilian purposes and Defense Federal Acquisition Regulation Supplement 227.7202 for military purposes. The Software was developed fully at private expense. All other use is prohibited. Licensee shall flow-down this provision to any of its authorized sublicensees (including but not limited to any Licensee Products, as applicable).
15. Export Compliance. Licensee acknowledges that the Software is subject to export restrictions by the United States government and import restrictions by certain foreign governments.
