App Broker

1. "**User**" means any individual that may request, have deployed to, or otherwise receive any application, package, or other software, or other IT or corporate resource or service, prepared using App Broker. For the purpose of certification as set forth in the Agreement, the number of Users includes the highest number of Users that were in place at any point during the previous year.
2. **Internal Purposes**. The license granted hereunder is for the purpose of managing applications located within Licensee's (including Affiliates) own systems. Management of applications of any third party shall require a separate license.
3. **Software or SaaS**. For the purpose of the Agreement, App Broker may be considered either "SaaS" or "Software" and the Order will specify which will apply either through the words SaaS or Cloud for SaaS and On-Premise for Software.
