

## ***App Portal***

1. **“User”** means any individual that may request, have deployed to, or otherwise receive any application, package, or other software, or other IT or corporate resource or service, prepared using App Portal. For the purpose of certification as set forth in the Agreement, the number of Users includes the highest number of Users that were in place at any point during the previous year.
  2. **Internal Purposes.** The license granted hereunder is for the purpose of managing applications located within Licensee’s (including Affiliates) own systems. Management of applications of any third party shall require a separate license.
  3. **Software.** For the purpose of the Agreement, App Portal is considered “Software”.
