

## ***FlexNet Manager for SAP***

1. **“User”** means the individuals within Licensee’s organization who access any software application or database on an SAP system or SAP may deem as a user. For the purpose of certification as set forth in the Agreement, the number of Users includes all Users who have accessed any such software application or database at any point during the previous year. For the purpose of clarity, a single User may not be more than one individual.
  2. **Internal Purposes.** The license granted hereunder is for the purpose of managing Users located within Licensee’s (including Affiliates) own systems. Management of Users of any third party shall require a separate license.
  3. **Software or SaaS.** For the purpose of the Agreement, FlexNet Manager for SAP may be considered either “SaaS” or “Software” and the Order will specify which will apply either through the words SaaS or Cloud for SaaS and On-Premise for Software.
