Licensee shall notify Flexera of any uncured breach of any terms related to InstallAnywhere Service Provider of which it becomes aware. Licensee will enforce the agreement it has with its Customer as it relates to InstallAnywhere Service Provider in the same manner as Licensee enforces such agreement with respect to Licensee's own intellectual property, which shall be at least in a reasonable manner. In any event, Flexera and Licensee will reasonably cooperate on actions to be taken to enforce breaches of Flexera's intellectual property rights against a Customer.

10. Expiration and Termination.

- a. **Expiration of Licenses.** Upon completion or termination of the Software Engineering Services for a Customer (the "**Expiration Date**"), Licensee will cease using the applicable licenses for such Customer. If InstallAnywhere Service Provider was installed and used at Customer's site, Licensee will uninstall InstallAnywhere Service Provider from any equipment used for the provision of Software Engineering Services to such Customer and will provide Flexera with certification thereof.
